

# BURP CLOTH INSTRUCTIONS

**Skill Level: Beginner**

## SUPPLIES

Burp Clothes need to be absorbent and soft on the baby's face. Use a 100% cotton quilting fabric on the top and toweling on the bottom. Flannel can be easy for beginners to sew and is also nice for the underside.

## STEP 1: STITCH AROUND EDGE

Put your fabric with RIGHT sides together and stitch all the way around with a 3/8 inch seam allowance. Leave a 2-inch gap on one side to turn.

## STEP 2: CLIP

Clip around the corners and curves.

## STEP 3: TURN AND TOPSTITCH

Turn the burp cloth to the RIGHT side through the gap. Give it a good press making sure any curves or corners are poked out well. The seam allowance at the gap will be pressed to the inside. Topstitch around the edge to close the gap and give it a final press.
